

THRIFT™

RECOMMENDATION LETTER

May 11th, 2022

To whom it may concern,

Our names are Haley Shinn & Ramone Farrier and we are the cofounders of THRIFT. We highly recommend Patric Velasquez who has been our executive consultant and design lead for the past 7-8 months.

We can assure you that Patric has an exceptional work ethic, technical expertise and has demonstrated a diverse skill-set across all key creative and design touchpoints. Patric is a consistent performer, who has creatively and strategically taken our brand to new heights. For us, he has always exceeded our expectations, truly cares about the success of the company, and continues to play an integral role for THRIFT.

Patric is a team player and someone who proactively helps us navigate high-level technical challenges and makes impactful decisions from a design perspective.

We both strongly recommend Patric as he has a great attitude, is very professional, and knows how to move the needle forward. We are more than happy to provide any more information if needed.

Warm regards,
